

JUNE #ETX150 REMINDERS:

August is Founder's Month! Mark your calendars to join us for the Founder's Day Birthday Bash at Booker T. Washington on Saturday, August 20th from 10 a.m. to 2 p.m. and start brainstorming ways for your business to join in on the celebrations all month long! We will be publishing a list of "Founder's Month" business specials in August. Think \$18.72 pricing, \$1.50 off, \$150 specials etc. etc.

#ETX150 is on full DISPLAY all over town! Make plans to check out the new Sesquicentennial Murals at the Courier and Advocacy Outreach this month! Why not take the family on a ride to count all 13 light pole banners downtown or Lee Dildy!

Mark your calendars and get ready to purchase the official Sesquicentennial "Milestones History Book" in August. Until then be sure to read the weekly Sesquicentennial Story in the Elgin Courier to celebrate stories from the past and learn more about the town we call home.

Help shine light for Juneteenth on Juneteenth, June 19. Join Reverend Townsend for a Candlelight ceremony at Sunset in honor of Juneteenth, June 19. The event will take place in Thomas Park. We are looking for organizations and businesses to commit to bringing a group of 10 people to help shine a light on Juneteenth via a human birthday cake. For anyone interested, please contact Gwen Johnson at (512) 669-6610.

Join the Elgin Depot Museum for birthday cake as they turn 20 years old! Saturday, June 11th from 12 p.m. to 4 p.m. directly across from the Juneteenth Festival @ Veterans Park.

We are always looking for special event volunteers! Current opportunities include the Juneteenth Festival Street Dance and Founder's Day, sign up to volunteer online at www.etx150.com

Follow along with all things #etx150 on Facebook @etx150 and online at www.etx150.com. Feel free to share the event pages with your networks!
