About Us

The Friends of Elgin Parks (FOEP), created in 2003, is a fundraising organization that assists in providing the Springtime "Music in the Park" series and parks improvements.

In cooperation with Elgin Parks and Recreation Advisory Board, funds from the FOEP are used to beautify current park and recreation facilities, expand park facilities and assist in long range plans for the Parks' system in Elgin.

Our goals are to:

- Encourage recreation, education and play in Elgin parks
- Improve and promote parks in Elgin
