

# HOW TO PLAY

## Objective of the Game

Disc Golf is like traditional golf, but with discs instead of balls and clubs. One throw (stroke) is counted each time the disc is thrown and when a penalty is incurred. The goal is to play each hole in the fewest strokes possible. The player with the lowest total strokes for the entire course wins.

## Tee Off

Each hole begins with a tee throw. Tee throws must be completed behind the tee post.

## Throwing Order

The player with the least amount of strokes on the previous hole is the first to tee off on the next hole. After tee off, the player whose disc is farthest from the hole throws first.

## Completion Of Hole

A disc that comes to rest in the disc golf basket or suspended in the chains constitutes the successful completion of that hole.

## Out Of Bounds

A throw that lands out of bounds must be played from 3 feet in bounds from where the disc went out of bounds. Private property, public roads, and park boundaries are out of bounds.
